

CHAUTAUQUA T BOWLING GREEN

In a Blaze of Glory in the
Kentucky City.

CUP GIVEN DR. STROUSE

and Citizens Unite in Paying
Tribute—A Word Spoken for
Gainesville—Rev. Dr. Strouse Prom-
ises Fine Meeting.

Chautauqua at Bowling Green,
has closed on the evening of Oc-
tober 16th, in a blaze of glory, says
Daily News of that city. In
the closing of the event that paper says:
"The surprise of the evening came
when Dr. Strouse arose to make
announcements. Before he had
said a word, Mr. Morgan Hughes stepped
forward and asked to say a few
words."

He held a beautiful loving
cup to his hand, which bore the fol-
lowing inscription: 'Presented to Dr.
B. Strouse by the pastors and
people of Bowling Green, Ky., as a
token of their high esteem and appre-
ciation, October, 1905.' Mr. Hughes
said few well-chosen words assured
Dr. Strouse that the people of our city
valued beyond expression the
blessings he had brought them—
his unselfish interest had touched
hearts, and the loving cup which
presented was only a token of their
appreciation. He congratulated him on the
success of the Chautauqua and
promised him his most hearty support in the future.

The great applause that followed
the most hearty ever heard under
the tent and showed that he spoke the
words of all the people. Dr.
Strouse arose and presented a beautiful
cup from the ladies of Potter Col-
lege. Dr. Strouse's reply was most
grateful. He expressed his appre-
ciation most beautifully and all could
hear it came from his heart. He
closed amid applause that the
Chautauqua came out \$48 above ex-
penditure and that the management
donated that as a contribution to
the beautiful chautauqua audito-
rium. He added that he wished to
make the first subscription of \$100 to
the building. He appointed
Mr. Hughes, J. Whit, Potter, Mc-
Elroy, McElroy, Nahm, Moss and
Johnson as a committee to build
any subscriptions are already an-
nounced. Dr. Strouse can be of won-
derful benefit to our city from without
as within. The Bible Confer-
ence Chautauqua which he estab-
lished three years ago at Gainesville,
has fairly boomed that city."

Dr. Strouse is also booming our city
when he gets an opportunity, and
he will be able to boom the
Chautauqua to be held here this win-

time. She was a member of the
Episcopal church, but has never been

Union Has Been Dissolved.

Stockholm, Sweden, Oct. 17.—The
union between Norway and Sweden en-
gaged since 1814, has been dissolved.
The house of the riksdag having passed
the government bill repealing the
union and recognizing Norway as
a state. "Separate from the union
of Sweden." The lower house
voted the bill without debate, but
the three members of the senate ex-
pressed the opinion that the dissolu-
tion was irreparable misfortune and
that it would come when Nor-
way would have the benefit of the
union. The houses subsequently
passed the bill.

Vinol THE COD LIVER EMULSION WITHOUT OIL

Vinol is fast superseding old-fashioned cod liver oil and emulsions because, without a drop of oil or disagreeable feature, it contains all the medicinal elements of cod liver oil, actually taken from fresh cod livers. By our process the oil, having no value either as a medicine or food, is separated from the medicinal elements and thrown away. Unlike old-fashioned cod liver oil and emulsions, Vinol is deliciously palatable, agreeable to the weakest stomach, and therefore unequalled as a body builder and strength creator for old people, puny children, weak, run-down men and women, after sickness, and for all pulmonary diseases. Everything Vinol contains is named on the label.

OUR GUARANTEE—We have such faith in VINOL that if you will take it we promise if it does not benefit or cure you we will return your money without question. We take all the risk.

Swiss Railroads Measure Children.

New York, Oct. 17.—The Swiss rail-
road booking clerks have just been
provided with machines for measuring
the height of children traveling over
their roads, and have been told that
all children over 3 feet tall must pay
full fare, says the Times. In summer
months Switzerland is full of Ameri-
cans who are often accompanied by
tall children who never appear to be
over ten years of age. Ten years is
the Swiss limit for half fare. This
has led to so many heated arguments
in German and English that the govern-
ment has decided to introduce the
measure system.

Doctors Said He Would Not Live.

Peter Fry, Woodruff, Pa., writes:
"After doctoring for two years with
the best physicians in Waynesburg,
and still getting worse, the doctors
advised me if I had any business to at-
tend to I had better attend to it at
once, as I could not possibly live
another month as there was no cure
for me. Foley's Kidney Cure was recom-
mended to me by a friend, and I
immediately sent my son to the store
for it, and after taking three bottles I
began to get better, and continued to
improve until I was entirely well." J.

BAD ACCIDENT TO NOBLE STROBHAR

Right Foot Crashed by Cars Near
High Springs.

WAS FLAGMAN ON THE TRAIN

Fell Under the Car When Train Was in
Motion—Foot Was Amputated Above
the Ankle Joint—Taken to Hospital
at Waycross, Georgia.

One of those unfortunate accidents
that are liable to occur any day on the
railroad happened to Noble A. Stro-
bhar of Gainesville, well known as
"Noble," and liked by all who know
him.

He was flagman on the train from
High Springs on the Atlantic Coast
line, and when two miles this side of
that place at about 8 a. m. Tuesday
morning an accident happened to the
train, delaying it for a short time.

After everything had been adjusted
the train started. When in motion
young Strobar attempted to get on
board, and in some manner his foot
slipped, throwing him down in such a
manner as to catch his right foot un-
der the wheels, and it was badly
crushed.

He was attended by the physician as
quickly as possible and his foot ampu-
tated at the ankle just above the joint
and was sent to the hospital at Way-
cross, Ga.

The accident will be a severe one to
the young man, and his many friends
in this city express regrets at his sad
misfortune. He is about 20 years of
age.

Cures Winter Cough.

J. E. Gover, 101 North Main street,
Ottawa, Kan., writes: "Every fall it
has been my wife's trouble to catch a
severe cold, and therefore to cough all
winter long. Last fall I got her a bot-
tle of Horehound Syrup. She used it
and has been able to sleep soundly all
night long. Whenever the cough trou-
bles her, two or three doses stop the
cough, and she is able to be up and
well." 20c, 50c and \$1. Sold by W. M.
Johnson.
